

Material-

A BLOCK OF PINE
1 1/2" THICK BY 7" X 5"

BASSWOOD OR
WHITEWOOD
ALSO CAN BE
USED.

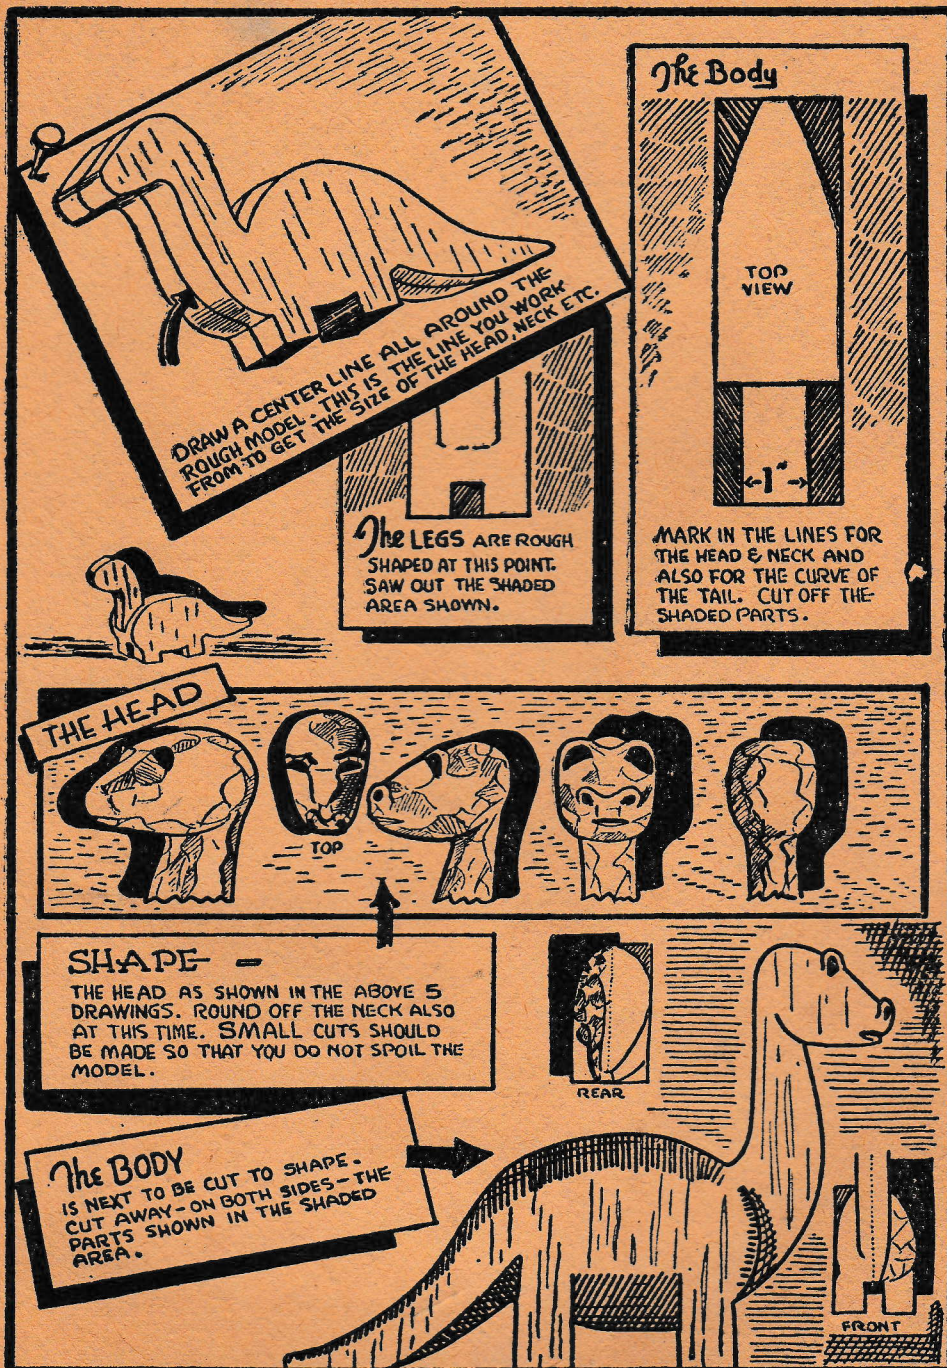

LAY OUT

DRAW 1/2" SQUARES ON A PIECE OF CARDBOARD AND THEN SKETCH IN THE PICTURE OF "DINNY" (SHOWN IN THE SQUARED OFF DRAWING ABOVE). WHEN YOU HAVE THE PICTURE MADE TO YOUR SATISFACTION CUT IT OUT AND YOU HAVE YOUR PATTERN READY. LAY THE PATTERN ON A 1 1/2" THICK BLOCK OF PINE AND DRAW AROUND THE CUTOUT. SAW OUT THE ROUGH MODEL WITH A COPING SAW.

WATCH THE GRAIN OF THE WOOD. MAKE SURE YOU HAVE THE GRAIN RUNNING AS SHOWN.

THAT IS HOW THE
ROUGH MODEL LOOKS
AFTER IT IS SAWN
OUT.

THE LEGS-

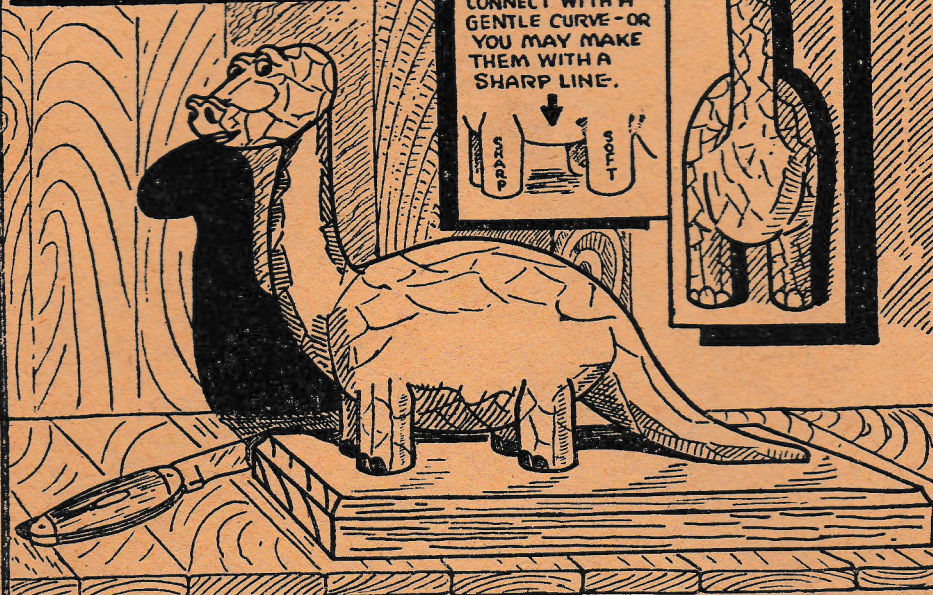

ARE ROUNDED OFF. DO NOT DO THIS TOO SMOOTHLY-BUT LEAVE THEM A LITTLE ON THE ROUGH SIDE.

THE BODY

ROUND OFF THE BODY-NOT TOO SMOOTH. LET THE JOINTS OF THE LEGS AND NECK CONNECT WITH A GENTLE CURVE-OR YOU MAY MAKE THEM WITH A SHARP LINE.

FRONT

REAR VIEW

Finishing

DO NOT SANDPAPER THE MODEL. LET YOUR KNIFE MARKS SHOW-AS THIS IS A MODEL OF A RUGED ANIMAL. MOUNT YOUR ANIMAL ON A BOARD AS ABOVE SHOWN. USE GLUE TO HOLD IT ON THE BASE. BEADS GLUED INTO SMALL HOLES IN THE HEAD.

PAINTING

THE CARVING IS PAINTED ALL GRAY. THE EYES ARE RED WITH WHITE PUPILS. THE NOSTRILS AND MOUTH ARE RED ALSO. PAINT 3 BLACK TOES ON EACH FOOT. THE BASE IS DARK GREEN.
